

Apron Club #1

Skill Level: Beginner

Fabric Requirements:

- 1 yd. of yummy cotton fabric;
- 2 ea. 12" x 12" of either the yummy cotton fabric (above) or a different flavor cotton fabric (for the pocket) that will taste good (compliment or contrast)
- ½ yd. of fabric that will be used to make the approx. 6 yds of double fold bias tape. **

** SPECIAL NOTE: We will be making "organic" bias tape. DO NOT purchase the packaged bias tape you see in the stores... it is full of preservatives and will tend to unravel your nerves. (We heard it also might tend to "bind" you up.) We will be demonstrating the Simplicity® bias tape machine and you will be welcomed to use ours to make your double fold bias tape.

Required Notions:

- Pins and non-spill magnetic container
- Fabric marking Pen or Pencil such as: Chalk Pencil, Water erase marker, the Friction pen, etc.
- Your most favorite kitchen gadget that you absolutely cannot live without
- Sharp Scissors and thread nippers
- Freezer paper

Sewing Equipment Needed:

- Your sewing machine in good working condition
- Power cord and foot control
- Machine tray and all regular presser feet
- Additional Presser Feet:
 - ◆ Edge joining foot

Advance Preparation:

Cut 2" strips ON THE BIAS from the ½ yard of fabric.
